

Apple Winery & Sudeok Temple

Eunseong Apple Winery: Let's make an apple pie, a jar of jam and tasted apple wine from apple farm!

Sudeok Temple: Sudeok Temple is the one of the main temples of Korea, where there is a comprehensive training center comprised of meditation of a monks' college and a center for studying monks' rule. It was founded by Master Sungje in the late Baekjae period. The main hall is a shrine to an important triad. It was built in 1308 and it is nothing short of a miracle that building has stood through successive invasions in which everything of any value seems to have been destroyed. The beauty of this building derives from the balance of the whole design. Its history and style have caused it to be regarded as a masterpiece of Koryeo Dynasty architecture.
