

## ARTE Museum and Gyeongpo Beach

**ARTE Museum** is Korea's largest immersive media art exhibition organized by a world-class digital design company d'strict, which is also well-known for the public media art 'WAVE', presented at COEX.

Renovated what originally was a speaker manufacturing factory, the grand space of 4,600sqm with the maximum height of 10-meters presents you 10 new, colorful media art exhibitions through a mixture of light and sound. The media artworks, created around the theme of ETERNAL NATURE, provide a perfect immersive experience with its impactful visuals, sensuous sounds, and elegant fragrance.

### Gyeongpo Beach

Located 1 km away from Gyeongpodae, Gyeongpo Beach is a sand bank formed between Gyeongpo Lake and the ocean. It is a very well-known tourist attraction within Korea: a flawless combination of nature and cultural relics.
