

# Daecheon Beach with Zip-Trek

Let's enjoy zip-trek over Daecheon Beach. (170 ft Height, 670 yd Length).

Daecheon Beach is located on Korea's west coast in Chungcheongnam-do Province.

Clamshells blend into the white sands of this beach that stretches 2.2 miles. No matter if it's high or low the tide, visitors can enjoy the waters anytime. Most people come to this beach to cover their bodies in the thick, mineral-rich mud. The therapeutic treatment is known to improve the look of skin and is even said to help those suffering from skin disorders.
