BEK

About British Education Korea

Ambitious private educational institution

Provide outstanding individual **attention** and care

Help every child **achieve** more than they thought possible

We live by our values - **Compassion, Courage and Confidence** - and inspire our students to do the same.

Holistic Education

We recognize each child as unique and offer them a **holistic education**.

Specialist teachers for Music, Mandarin, Violin and PE.

Curricular areas covered include:

Languages
(English and Mandarin)

Personal, Social and
Emotional Development

Mathematics

Understanding the World
(Science, History,
Geography and Technology)

Physical Education

The Arts
(Music, Visual Arts, and Drama)

Our Students

Are at the heart of all that we do and we provide happy, secure, meaningful settings where **every student** is encouraged, nurtured and inspired.

Start their learning journey from **Nursery (24 months old)**, and many graduate from our Secondary campus in Gangnam.

Leave us well prepared to enter **universities** around the world

Experienced and Trustworthy Teachers

Experienced, passionate **native English-speaking** teachers.

Teacher to student ratios **1:6 and 1:8**

We are committed to **safeguarding** children and young people.

All our staff are subject to **rigorous background checks** before joining the school.

School Life

School day begins with a warm welcome at **9.00** and ends at **3.50**.

Spacious, **bright classrooms**; library; cafeteria and gym

Nutritionally **balanced lunches**.

Concerts, field trips and outdoor activities

Interesting and **fun events**, such as Sports Day, Literacy Week and Environment Week.

Cultural celebrations throughout the year such as Chuseok, Christmas concerts and International Week.
