OSAN AB INITIAL PO CHECKLIST

Private Organizations are self-sustaining special interest groups, set up by people acting exclusively outside the scope of any official capacity as officers, employees, or agents of the Federal Government. They operate on Air Force installations with the written consent of the installation commander. PO's are not Federal entities and are not treated as such. Personal and professional participation in PO's is governed by DoD 5500.7-R, *Joint Ethics Regulation (AFI 34-223, Section A 1-1.2).*

In accordance with AFI 34-223 Private Organizations (PO) Program, we are not required to be formally established as a PO unless our current assets (including cash, investments, and receivables) exceed a monthly average of \$1,000 over a 3-month period. We understand that we must submit the Constitution and By-Laws biennial or sooner if there is a change in the purpose or scope of activities and along with all annual documents. We also understand that we must follow the guidance in AFI 34-223 Private Organizations Program and HQ USAF/A1S Guide to 51 FSS/FSR, Osan AB.
