IMPORTANT

To enhance everyone's experience, we are limiting attendees to 150 per event. By doing so, we guarantee a smoother registration, ample seating, and delightful refreshments for all attendees.

We encourage you to help us make these events exceptional by ensuring attendees are registered in advance. If attendees aren't registered, they will be turned away and told report back to the CSS if necessary.

Similarly, if those registered do not show up we now be sending out a No-Show list to Commands.
