

Military Leaders Guide to TAP

I wish I had known how much time and energy it takes to prepare for leaving the military. Had I known, I would have done a better job of supporting my troops as they separated and retired.

-Retiring Military Leader

Course Description

This course is designed to introduce military leaders to the Transition Assistance Program (TAP) and provide an overview of the transition process. Included are recommendations and resources to guide leaders as they support transitioning Service members.

What you will learn during the Military Leaders Guide to TAP course:

- ✓ Why TAP is Important
- ✓ TAP 101 Overview
- ✓ Transition Responsibilities for Military Leaders
- ✓ Resources for Transitioning Service Members
