

UNOFFICIAL ACTIVITY (UA) CHECKLIST

Unofficial Activities (UAs) are self-sustaining special interest groups set up by people acting exclusively outside the scope of any official capacity as officers, employees, or agents of the Federal Government.

Q: Does my activity/operation *have* to become a UA?

A: If your activity/operation's current assets (*cash, inventories, receivables, and investments*) are less than a monthly average of \$1,000 over a 3-month period, your activity/organization should become an UA. If your activity/operation does not wish to become a UA, it can become a Private Orgs; however, please note that there are significantly more requirements on POs. Also, please note there are additional provisions for units with over 300 members.
